1. Home

Purpose

Public landing page introducing the platform and directing visitors toward registration, login, or event browsing.

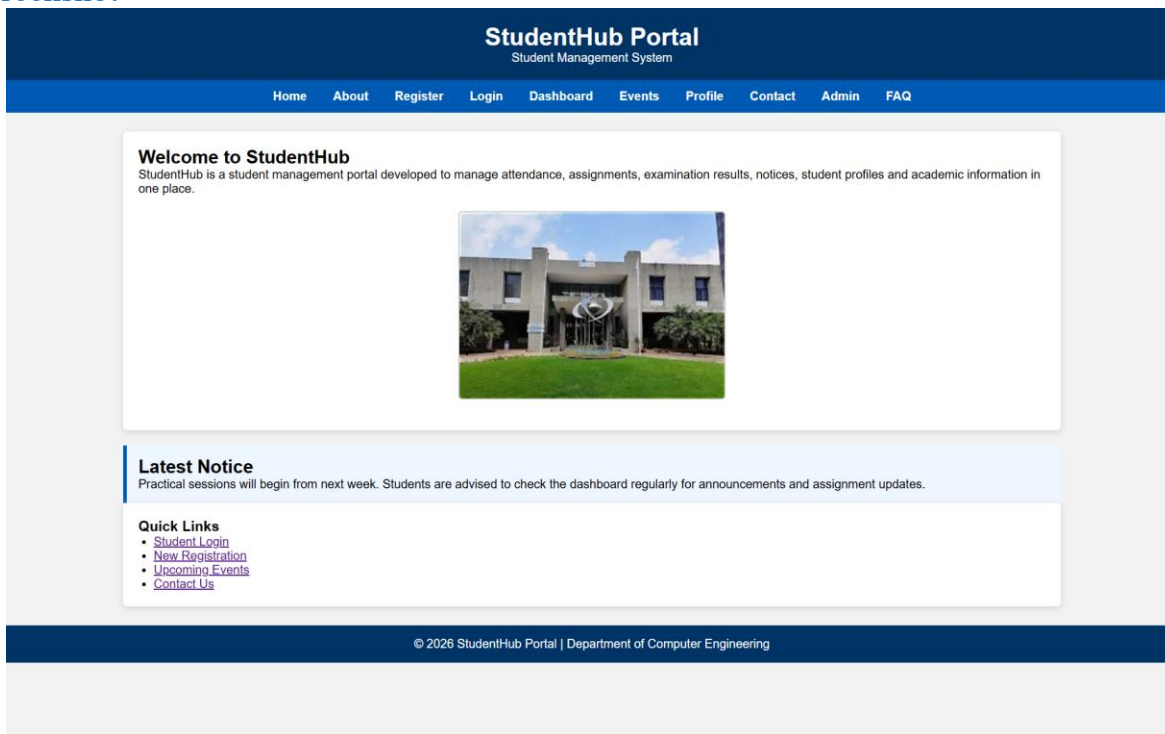

Key Elements

- Site logo and primary navigation bar
- Hero banner with headline, subtext, and a primary call-to-action button
- Featured / upcoming events preview
- Secondary navigation links: About, Events, Contact, Register, Login
- Footer with site links, social links, and legal notices

Notes

Accessible to all visitors without authentication.

Screenshot

2. About

Purpose

Communicates the organization's mission, background, and value proposition.

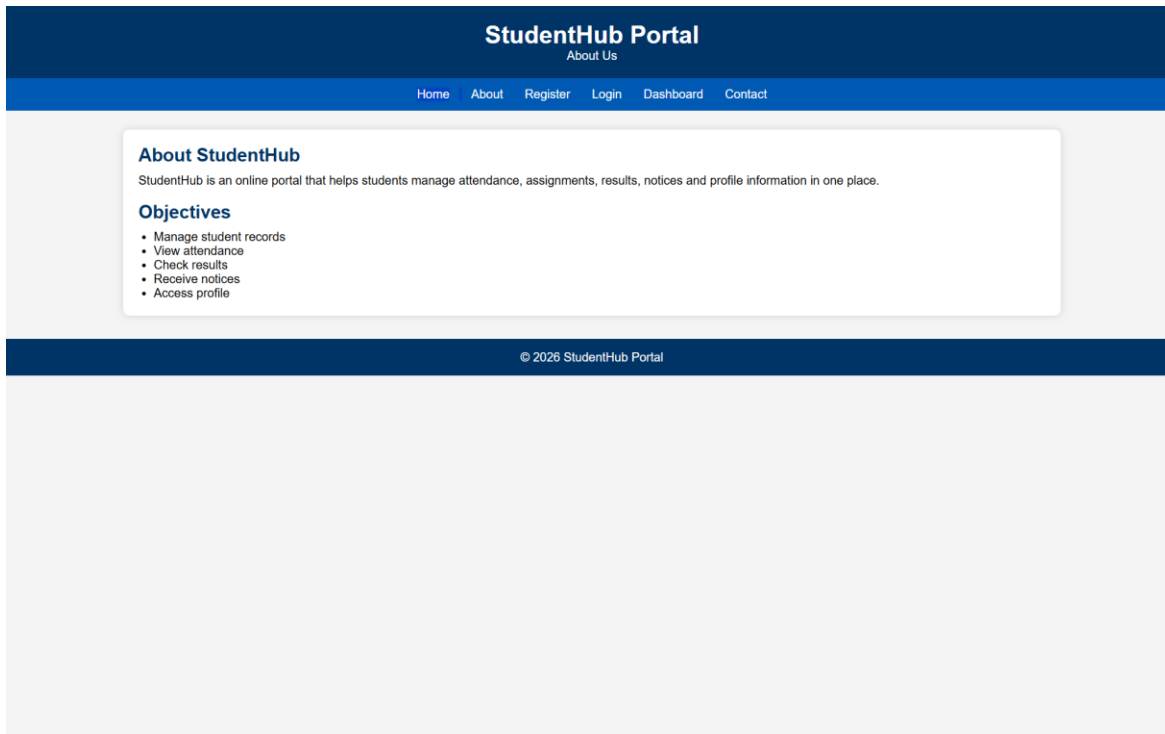

Key Elements

- Mission statement / company overview
- Team or organizational structure section (optional)
- Key milestones or achievements
- Call-to-action linking to Register or Contact

Notes

Static content page, publicly accessible.

Screenshot

3. Register

Purpose

Allows a new visitor to create an account.

Key Elements

- Registration form: name, email, password, confirm password
- Terms of Service / Privacy Policy acknowledgment checkbox
- Client-side and server-side input validation
- Submit button and link to Login for existing users
- Success state redirecting to Login or Dashboard

Notes

Should enforce password strength rules and duplicate-account checks.

Screenshot

The screenshot displays the 'StudentHub Portal' registration interface. At the top, a dark blue header contains the site name 'StudentHub Portal' and the subtitle 'Student Registration'. Below this is a navigation bar with links: Home, About, Register, Login, Dashboard, Events, Profile, Contact, Admin, and FAQ. The main content area features a white 'Registration Form' box. This form includes input fields for 'Full Name' (placeholder: 'Enter your name'), 'Enrollment Number' (placeholder: 'Enter enrollment number'), 'Email' (placeholder: 'Enter email'), and 'Password' (placeholder: 'Enter password'). There is also a 'Department' dropdown menu currently set to 'Computer Engineering'. A blue 'Register' button is positioned at the bottom of the form. The footer of the page shows the copyright notice '© 2026 StudentHub Portal'.

4. Login

Purpose

Authenticates an existing user and establishes a session.

Key Elements

- Login form: email/username and password fields
- "Forgot password" link and flow
- Error handling for invalid credentials or locked accounts
- Redirect to Dashboard on success
- Link to Register for new users

Notes

Consider rate limiting and account lockout after repeated failed attempts.

Screenshot

The screenshot displays the 'StudentHub Portal' login interface. At the top, a dark blue header contains the text 'StudentHub Portal' and 'Student Login'. Below this is a navigation bar with links: Home, About, Register, Login, Dashboard, Events, Profile, Contact, Admin, and FAQ. The main content area features a white login form with the title 'Login'. The form includes two input fields: 'Email' with the placeholder 'Enter your email' and 'Password' with the placeholder 'Enter your password'. A blue 'Login' button is positioned at the bottom of the form. The footer of the page shows the copyright notice '© 2026 StudentHub Portal'.

5. Dashboard

Purpose

Authenticated landing page summarizing the user's activity and quick actions.

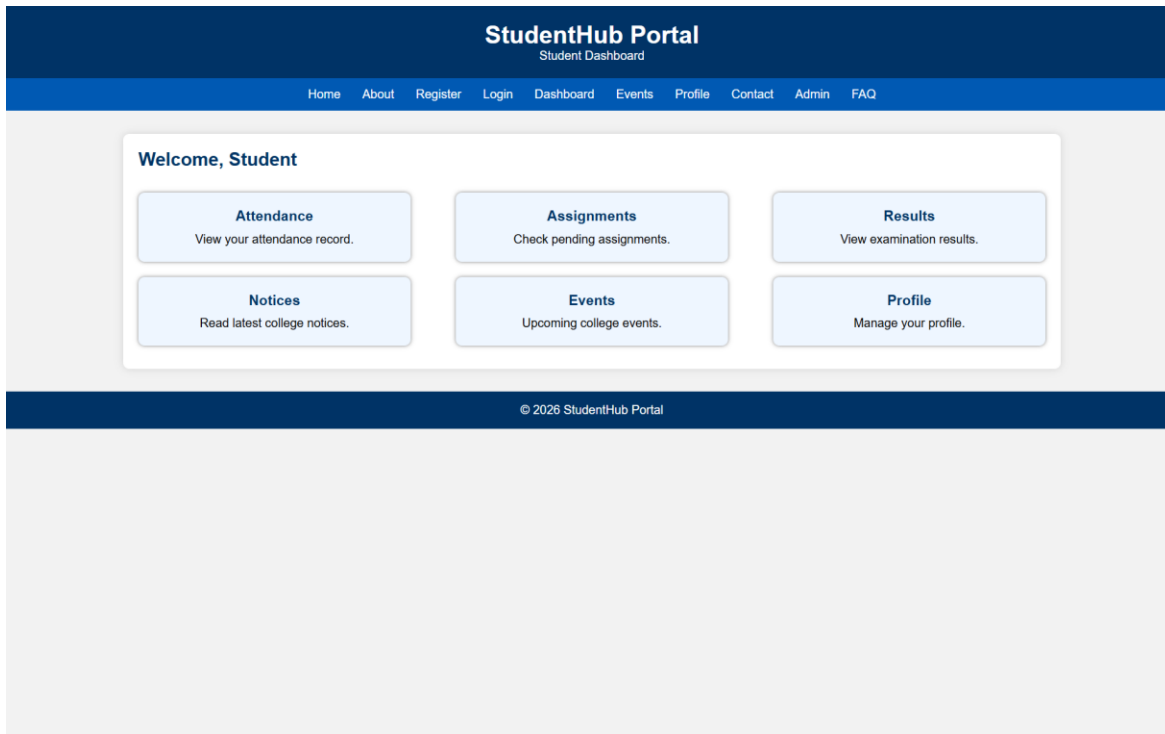

Key Elements

- Welcome message with user's name
- Summary widgets: upcoming events, registrations, notifications
- Navigation to Events, Profile, and other authenticated sections
- Recent activity feed

Notes

Requires a valid session; unauthenticated users are redirected to Login.

Screenshot

6. Events

Purpose

Lists available events and allows users to view details or register.

Key Elements

- Filterable / searchable list or grid of events
- Event detail view: date, time, location, description, capacity
- Register / RSVP action per event
- Pagination or infinite scroll for large event lists

Notes

May include both public browsing and authenticated actions (e.g., RSVP).

Screenshot

No screenshot provided for this page.

25dce071

7. Profile

Purpose

Allows a user to view and manage their personal account information.

Key Elements

- Display of current profile details: name, email, avatar
- Edit form for updating profile fields
- Change password section
- List of the user's event registrations
- Account deletion / deactivation option

Notes

Requires authentication; changes should require re-validation of sensitive fields.

8. Contact

Purpose

Provides a way for visitors or users to reach the organization.

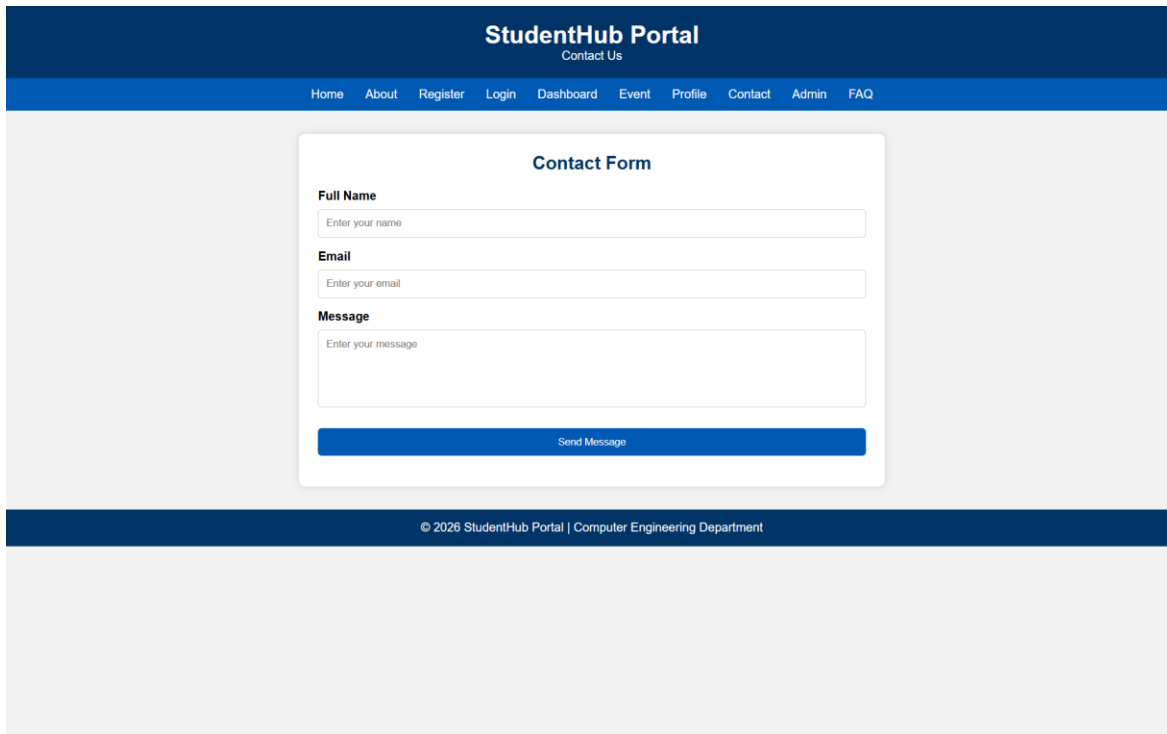

Key Elements

- Contact form: name, email, subject, message
- Direct contact details (email, phone, address) if applicable
- Form validation and confirmation message on submit
- Optional map or office location display

Notes

Publicly accessible; should include spam protection (e.g., CAPTCHA).

Screenshot

The screenshot displays the 'StudentHub Portal' contact page. The header is dark blue with the portal name and a 'Contact Us' link. A navigation bar below the header contains links for Home, About, Register, Login, Dashboard, Event, Profile, Contact, Admin, and FAQ. The main content area features a white 'Contact Form' box with a light blue border. The form includes three input fields: 'Full Name' (placeholder: 'Enter your name'), 'Email' (placeholder: 'Enter your email'), and 'Message' (placeholder: 'Enter your message'). A blue 'Send Message' button is positioned at the bottom of the form. The footer is dark blue and contains the copyright notice: '© 2026 StudentHub Portal | Computer Engineering Department'.

9. Admin

Purpose

Restricted area for administrators to manage users, events, and site content.

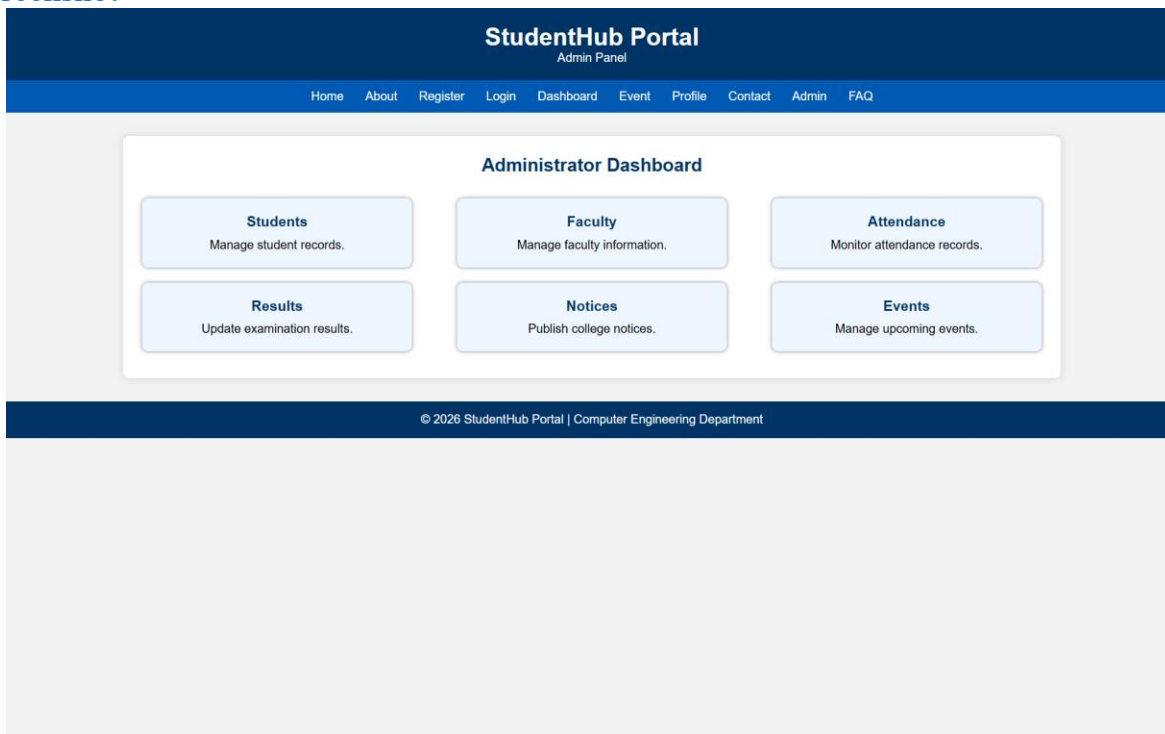

Key Elements

- User management: view, edit, disable, or delete accounts
- Event management: create, edit, delete, and publish events
- Reporting / analytics overview (registrations, activity)
- Role and permission management
- Content moderation tools (e.g., contact submissions)

Notes

Requires elevated (admin) role; all actions should be logged for auditing.

Screenshot

10. FAQ

Purpose

Answers common questions to reduce support burden and aid self-service.

Key Elements

- Categorized list of frequently asked questions
- Expand/collapse (accordion) interaction per question
- Search or filter within FAQ content
- Link to Contact page for unresolved questions

Notes

Publicly accessible, static or CMS-managed content.
